# SK Square Compliance Policy

---

SK Square hereby declares 'Compliance Policy' to maintain sustainable growth and foster stakeholder trust through the implementation of compliance management.

## Section 1

SK Square is committed to fair and transparent compliance management by adhering to all applicable laws and regulations.

## Section 2

SK Square establishes a compliance management system to foster a culture where personnel can proactively uphold legal and ethical standards.

## Section 3

SK Square provides the necessary human and material resources to support compliance management.

## Section 4

SK Square conducts activities to prevent legal risks.

## Section 5

SK Square proactively diagnoses and addresses potential legal risks.

## Section 6

SK Square conducts thorough post-incident reviews to rectify legal issues.
